We are thrilled to share that the search for Hilltop's next Head of School has been progressing well.

The HOS Search Committee has been hard at work this fall reviewing dossiers, selecting semi-finalists, and conducting virtual interviews with Hilltop's potential next Head. **We have reached a milestone in our search: Finalist Visits.** Each of the three finalists will spend approximately two days on campus getting to know our school and connecting with the Hilltop community.

Our community's voice and participation continue to be vital in this process. Staff, teachers, and families will have an opportunity to meet with each finalist. During these meetings they will consider how the potential incoming Head aligns with Hilltop's Leadership Profile and share their impressions and feedback through a brief anonymous survey.

**Please see the the opportunities for parents to meet and engage with our Finalists.** We have worked to provide two opportunities for parents to meet each candidate, both in-person and virtually. We really hope that as many parents as possible can arrange to be a part of this important process for the future of our school!
